

Friday 05 January 2024

Dear parents and carers

Outdoor Learning at Woodside

We will be continuing Forest School sessions with our Year One classes this month. This will recommence the week beginning 08 January and will continue until week ending 02 February.

If there are changes to the planned dates, we will inform you at the earliest opportunity. Sessions will only be cancelled in extreme weather conditions, where it has been deemed unsafe by the Forest School Leader for children and adults to access the site.

Class 1VR will be attending Forest School on **Friday mornings**

***Please ensure your child comes to school wearing the base layers of their Forest School kit, school shoes and school coat on a Friday**

***Please bring their wellies and waterproofs in a separate bag**

***Please send your child's school uniform to change back into after Forest School**

Your child will need the following clothing (**please put your child's name in each item**):

- waterproof coat (not their school coat)
- waterproof trousers
- walking boots or wellies
- Long socks (not trainer socks)
- long trousers (no jeans please as denim can rub badly when wet and cause sores)
- T-Shirt or long sleeved top
- Long sleeved jumper

Please supply your child with **old clothes** as they will get dirty. All kit, including wellies/walking boots, must be named and wellies or walking boots should be brought in a named plastic bag.

If your child has any allergies that you have not told us about, please let reception staff know immediately.

Yours sincerely,

Hayley Brown

Forest School Leader
