

Smash Life are working with our Year 6 children this term. The focus of the work is growing up and moving on. The children will learn how to make the right choices, how to deal with peer pressure, decision-making, respect, self-esteem and developing positive relationships. The children worked in small groups and learnt how to take responsibility, the consequences of their actions and words, and developing their leadership skills.

When I got the outstanding award, I was so surprised. I didn't see it coming!

## Bikeability—Year 2

Children in Year 2 had the opportunity to take part in Bikeability Cycle Training. The course involved teaching the children basic balance and co-ordination skills. They played fun games and developed these key skills. The children had a wonderful time.

I have never been on a balance bike before. It was really fun. I liked riding around on the playground with my friends.

Logan

Jo Hutchings, from Learn Cycling said, "It's always lovely to come back to Woodside School to deliver cycle training. Balance bikes are so important for learning how to ride. The Year 2 pupils have made amazing progress in the 4 days we've been here. Children who couldn't ride are now able to do so."

# Kings and Queens

As part of our Kings and Queens history topic, we had a special day where the children dressed up as their favourite King or Queen. They made some royal snacks to eat at their royal banquet. They performed a medieval dance and had a Royal procession through the school!

I loved dressing up as Arthur the Legend. I had a big gem on my crown.

Arthur

I dressed up as Queen Victoria. I chose her as she was one of our Monarchs.

Elisa

This term, children in Year 3/4 performed Peter Pan. They worked extremely hard rehearsing and learning the words to the songs. Their performances were amazing and all of the staff were extremely proud of them.
