Welcome to our new website!

Dear parents and carers

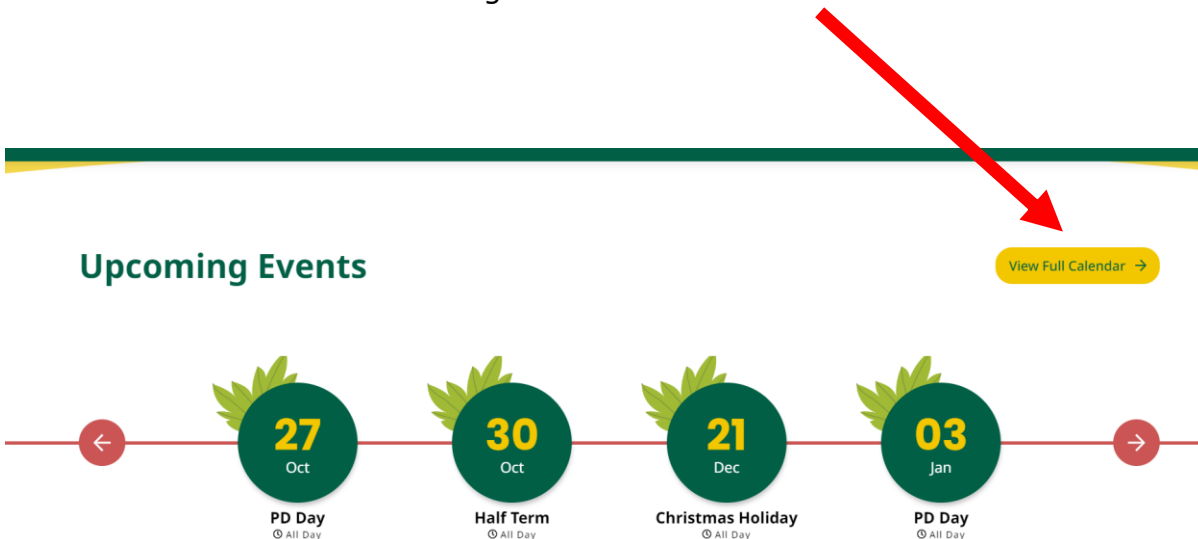

Hopefully, you've seen our new website. We hope you agree it looks more current and information is easier to find. The address is the same www.woodsideschool.co.uk

The homepage scrolls right down and contains lots of information.

You'll see a 'ticker tape' which we use to share important and useful messages.

As you scroll down the homepage, you'll see calendar events that are coming up. You can also click on the full calendar to get term dates.

As you continue down the homepage, you'll find key events and news stories.

Your children can keep up to date with the house points...

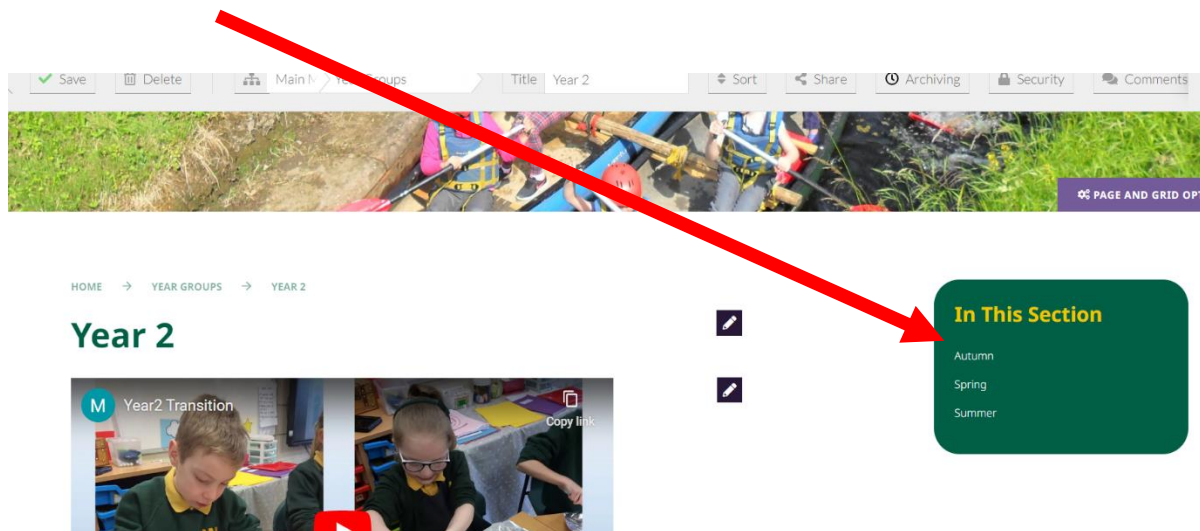

By using the 'Key Information' tab you should be able to find everything you need including school times, uniform expectations, wraparound care, etc.

To find out what your child is learning you can go to the year group tabs and select your child's year group.

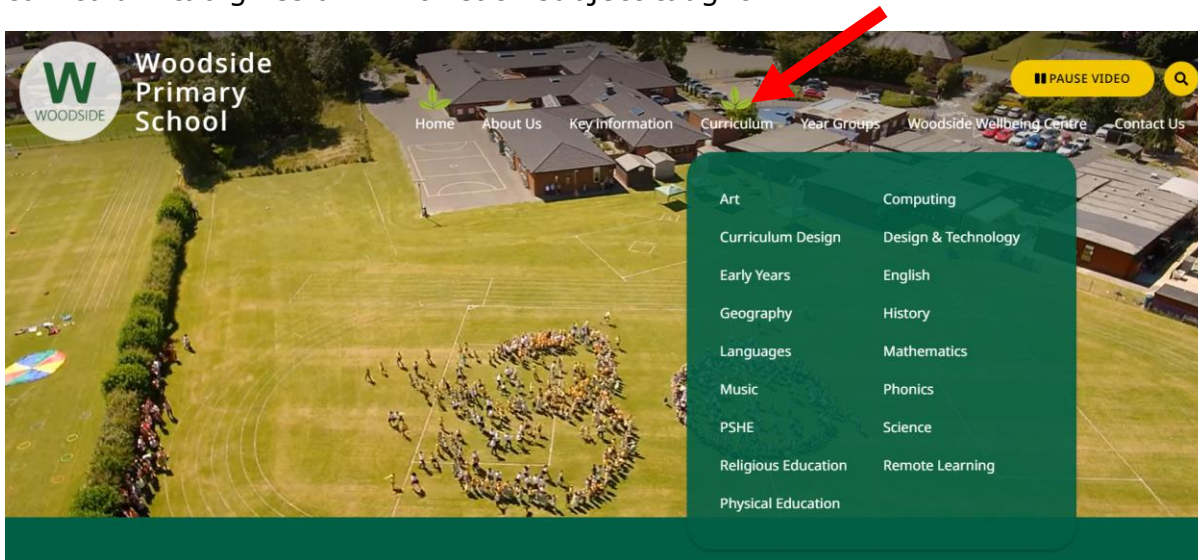

Once you click on your child's year group, you'll see the three terms in the top right corner.

Clicking on the term will give you information about what your child is learning in school.

If you would like to see what each curriculum subject looks like across our school; the curriculum tab gives a link for each subject taught.

There are some areas of our website which we're still working on. We need to develop the Wellbeing Centre section and we're working on the virtual tour!

If you have any thoughts or feedback on the website, feel free to speak to us on the gate before and after school, or drop us an email admin@woodside.shropshire.sch.uk

Kind regards

The Woodside Team
