Dear parents and carers

After 27 years of dedication and service to Woodside School, Miss Karen Williams has decided it's time for her to move on, and she will leave this October half term.

I know that many of you have been taught by Karen when you were at Woodside, and will understand how much commitment she's given Woodside children over the years. She is an outstanding teacher, a wonderful Associate Headteacher and we will miss her terribly.

After so many years in education, I know Karen hopes to take this opportunity to explore other avenues, and I'm sure you'll all join me in wishing her the very best for this next exciting stage in her life.

Yours sincerely

Claire Bennett
Headteacher
