

Friday 15 March 2024

Dear parent/carer,

On March 21, we will be marking **Down Syndrome Awareness Day**. The children will learn about celebrating people's differences and to challenge stereotypes.

**Children are invited to wear colourful, odd socks on March 21** with their school uniform.

This is Down Syndrome Awareness Day because the date will be 21.03 and people with Down Syndrome have 3 copies of chromosome 21, as you can see in the picture. We mark this day with socks as chromosomes look a bit like socks.

Yours Sincerely,

*Charlotte Towne*
