Thursday 12 September 2024

Dear parent/carer,

On Wednesday 25 September the Year 3 children will be taking part in Level 1 Scootability coaching. A professional instructor from Team Rubicon will visit the school and bring all the equipment needed such as scooters, helmets and pads. Children will be taught the basic skills and knowledge to ride their scooters safely – from balancing, turning and breaking through to pavement activities, obstacles and signalling.

As this will take place outside, please ensure your child has suitable footwear (school shoes or PE trainers may be worn for the session) and a waterproof coat on that day.

Yours faithfully,

The Year 3 team
