

Thursday 12 June 2024

Dear parents and carers,

This term, children in Year 6 will learn about growing up and moving on. The work will include learning about making the right choices, how to deal with peer pressure, decision making, respect, self-esteem and positive relationships.

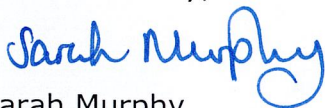

We have invited 'Smash Life' to come and work with us to support this work. They will be working with the children in small groups, focusing on the above as well as taking responsibility, kindness, the consequences of actions and words and leadership skills. There will also be work on transition to secondary school.

We have worked with 'Smash Life' before and they are excellent. You can find out more about the type of work they do using the link below. The work they will do with us, however, will be tailored to the needs of our children.

The children will participate in a 30-minute session every Thursday, starting 13 June 2024.

Yours sincerely,
