Date: 13th May 2024
My Ref: School Street Zone SS3

Dear Parent/Carer

SCHOOL STREET - Woodside Primary School Oswestry

Shropshire Council have introduced a School Street Access Permit scheme under an Experimental Traffic Regulation Order (ETRO), which is planned to be implemented on Monday 3rd June 2024.

The ETRO has been introduced with the aim of delivering a safer environment outside the school and reducing the impact of vehicles driving to the school on residents and the school community. This will consist of the area outside of the school being closed to vehicles during a morning and afternoon period between 8:15am - 9:15am and 2:45pm - 3:45pm, when the school opens and closes. During this time, the only vehicles able to access this area will be required to have a School Street Access Permit in place.

Enforcement cameras will be used to monitor vehicles entering during these times and drivers without permits may receive a fine (Penalty Charge Notice - PCN) of £70.

Please be advised, that from 3rd June 2024 parents/carers dropping off/collecting children at the school without a permit may incur a PCN. Instead, it is advised that any planned journey to the school will consist of walking/cycling to school, parking a car in a nearby street and walking the short distance to the school.

If you believe that you are eligible for a School Street Access Permit, please see Shropshire Councils website for further details on how to apply

<https://next.shropshire.gov.uk/roads-travel-and-parking/parking/season-tickets-waivers-and-permits/school-streets-permit-scheme/>.

If you are unsure whether you qualify for a permit or require further assistance applying for your permit, please contact our team on 0345 678 9046 selecting option 5.
