To up-skill all teaching and relevant support staff re- the teaching of quality PE and Sport.	All appropriate staff experience high quality targeted professional development by working closely and under the supervision of the sports coach that we employ.	Mike O'Reilly	£22,500	By July 2023	The quality of the teaching and the leadership and management of PE and Sport continues to improve and all teachers acquire a more specialist knowledge of teaching PE.	Mike O'Reilly (sports coach) has been on CPD courses throughout the year.  Teachers have observed Mike deliver the curriculum across the school this year.  Kelly and Charlotte attended all relevant network meetings.
To extend games by having activities for all children in KS1 and KS2 at lunch and break times.	Equipment purchased for lunch times and break times.  Sports Crew to deliver clubs and meet with Miss Bennett to discuss equipment and costings.	Charlotte Rowlands  Kelly Jones	£500 to purchase equipment	Ongoing. Reviewed termly.	A healthy sporting culture is further developed.  Children more active during the school day.  Engagement with lunch time supervisors.  Children take responsibility for organising their planned activities.  Children develop their competitive and social skills through games.	PE equipment no longer required for lessons has been passed onto lunch time staff for the children to use at break times.  Children are more physically active during break times.

To develop the confidence of swimmers who cannot swim 25m in Year 4.	To liaise with Year 4 teachers on children who didn't swim 25m and lacked confidence in the water.  To look at costings of pool and mini bus hire.	Charlotte Rowlands  Kelly Jones	£500	Summer 2023	A targeted number of children will become water confident.	Engaged with new swimming provider to look at top-up lessons as well as new lessons for Year 4 children next academic year.
To continue developing curriculum road map with assistance from George Hounsell (The Marches)	Teacher release to support CPD and curriculum development.	Charlotte Rowlands and Kelly Jones	Cost of supply to cover Charlotte and Kelly for 1 day (approx. £200)	Spring 2023	Develop curriculum road map and complete PE Health Check.	George was unable to attend the meetings so we met with a colleague to look at our current curriculum map.
Support the attendance of interschool events and promote the importance of team performance	Purchase new children's sports kits (football kits and running vests)	Charlotte Rowlands and Kelly Jones	£1,000	Summer 2023	All children will look smart and want to be a part of school sports teams.	Children have been very successful at recent sporting competitions.  Indoor athletics – county champions.  Made use of kits bought for school by FOWs.
All staff look professional and part of the Woodside Team.	Purchase new staff sports kit.	Kelly Jones	£1,000	Spring 2023	All PE staff will have matching kits to wear for PE and when attending sports competitions.	Completed. All PE staff have new kits embroidered with Woodside logo.
To ensure clear progression of cohesive PE from Early Years to Year 6.	Monitor long term planning and carry out Pupil Voice.	Charlotte Rowlands and Kelly Jones	Cost of supply to cover Charlotte and Kelly for 2 ½ days (approx. £100)	Summer 2023	Subject leaders will gain an understanding of curriculum coverage across the school and will be able to complete assessments using Pupil Voice (as recommended by Lee Ferriday).	Milestones are consistent across the school. Every year group follows them to complete planning.
