

# Meet Our Chef

Hello.  
I am 'Richard'; the Catering Chef Manager here at the prestigious Woodside Primary School. I have over 23 years of catering experience, during this time I have worked in various restaurants, hotels; some of which have been awarded 2 Rosettes, and I have also delivered a catering event to HRH Queen Elizabeth and the Duke of Edinburgh several years ago.

My biggest personal accomplishment is that I am a Dad to 3 young girls who are 7, 5 and 1 year old, so I really understand the importance of maintaining the correct nutritional balance through food to promote their growth, health and development.

In my spare time, I love nothing more than to get outside with my family. This could be day trips fishing, going to a National Trust site, or simply hopping on our bikes, roller blades and enjoying the outdoor living benefits.

With my love for food nutrition, I am lucky enough have two allotments where I grow a wide range of fruit and vegetables. Encouraging my family to get their hands dirty and see the magic when we grow from seed to plant.

I and my amazing catering team look forward to catering for your children's daily needs at the school.

Thank you, Richard
